			to "request" that the state Tumpike and Bridge Authority install a solid median on the Newport Bridge, without providing additional money for the project. The legislation also "requests" the authority and the State Police to
Tax & Budget		7760	-1 "rigorously enforce the 40 miles-per-hour speed limit and other traffic violations"
nstitutional government	2775	7940-SubA	1 to remove "habitual drunkard" from the list of those who face additional restrictions on owning firearms
			to force employers to make accommodations for female employees throughout their pregnancy and nursing of children, including (among other things) longer breaks and new equipment, placing the burden on the employer to
Regulatory environment	2779		-1 prove that the requirement would impose an "undue burden"
nstitutional government		7985	1 to increase the reporting requirements of the North Providence purchasing board and require the town treasurer to cite budgetary authority for each of its purchases
•			
Tax & Budget	2825		-1 to create a subsidized program in the Governor's Workforce Board for non-trade apprenticeships, paying up to 50% or \$1,000 of an apprentice's pay, with a maximum of \$5,000 per employer per year
nstitutional government			-1 to exempt evaluations of superintendents, administrators, and principals from access to public records laws (in keeping with the current exemption of teacher evaluations)
ionica and a			to make it an assumption that gifts to close family or associates from people who are unable to handle their own affairs are the subject of fraud. The legislation makes various exceptions, such as transfer to state, local, or
Regulatory environment	2884		-1 federal governments
Regulatory environment			- to force parents of drivers education students to take a course. Currently, the course is optional
egulatory commonment			to give Dept. of Environmental Management directors and conservation officers power to enforce laws and regulations on any property on which the department holds events, on property it leases, and on land that it manages
nstitutional government	2951	7839	<ul> <li>Under the property of a trivial internal management directors and conservation orders power to enrorce laws and regulations of any property of which the department flows events, or property it leases, and of and that manages</li> <li>1 cooperatively</li> </ul>
istitutional govern	2001	1000	to solicit from the state Higher Education Assistance Authority and the Governor's Workforce board a report on the possibility of developing a "lifelong learning account program" that would allow Rhode Islanders to put money
Education reform	2969		1 into a special savings account, probably with tax benefits, in order to pay for education expenses
Tax & Budget		8266-SubA	I mito a special savings account, probably with tax breinens, in order to pay on education expenses  1 to doubte the number of hours for which the state will reimburse businesses 50% of costs through its work immersion program, from 200 to 400
		8134	- 1 to double the funding of nices for state with reminduse businesses 50% of costs influging with immersion program, from 200 to 400 -2 to shift the Exeter Fire District away from support of volunteer stations toward unionized, full-time fireflighters
Public sector labor		0134	
Regulatory environment		7702 CubA	-1 to require master and journeyman plumbers to complete continuing education courses before renewing their licenses
Regulatory environment		7793-SubA	-1 to create a new electrical license targeted specifically for installers/renovators of electrical signs, who deal with no more than 3 wires up to 15 feet in length
Education reform		8363-aa	-1 to forbid the use of standardized tests as a requirement for graduation from public schools until at least the graduating class of 2017
nstitutional government		8072-SubA	3 to remove the "straight party" option on Rhode Island ballots that gives the vote to every member of the chosen party on the ballot
nstitutional government	2095-SubAaa	7124-SubB	1 to forbid educational institutions from requiring students to allow them access (by password or through access in their presence) social media accounts
	0404 OED	7001 0	100 and 100 an
nstitutional government		7304-SubAaa	-1 to collect DNA samples for any person arrested for a crime of violence (currently, DNA samples are only collected for those convicted) and expands the list of crimes for which a DNA sample is required
Public sector labor	2152-SubAaa		-1 to exempt public firefighting agencies from open meetings laws if they do not have the authority to impose taxes or set policy
			The state of the s
Regulatory environment	2178-SubA		-1 to allow cities and towns to require parking lots or garages to have employees onsite at all times to accept fees in cash and to make change, with a fine of \$200, with half going to the state and half going to the municipality
			to reorganize the state board of education so that it is split between k-through-high-school and higher education. The legislation would also give the chair of the Governor's Workforce Board and the Commerce Corp. (formerly
Education reform		8263-SubA	-1 the EDC) non-voting seats on the board. It will also forbid the governor from removing board members without cause.
Regulatory environment	2221-SubA		-2 to forbid health insurance companies from charging different rates for men and women, even if healthcare outcomes and costs differ between men and women
			to require Rhode Island hospitals to provide the state government with the average prices charged for their 25 most-common procedures, to be posted by the Dept. of Health. The legislation also requires hospitals to provide
Regulatory environment	2222-SubA	8349	1 (upon request) estimates to potential non-emergency patients who have no insurance or who have deductibles of \$5,000 or more
			CONTRACTOR OF THE CONTRACTOR O
			1 and
			to allow and sometimes require judges and magistrates to force people convicted of driving under the influence of drugs or alcohol to install ignition interlock systems on their cars. Such devices detect alcohol on a driver's
nstitutional government	2231-SubA	8296	to allow and sometimes require judges and magistrates to force people convicted or driving under the influence of drugs or alcohol to install ignition interlock systems on their cars. Such devices detect alcohol on a driver's  1 breath and prevent him or her from starting the car. The legislation also extends the maximum time that drivers can be forced to have the devices up to five years

	Senate	nouse	weight Explanation
			to forbid healthcare providers with more than half of their clients being Rhode Islanders from requesting permission from the state to use new heatthcare equipment or offer new "institutional health services" for a year. During that time, the Dept. of Health will conduct a study of all health services offered in Rhode Island, estimating things like future need and develop a "state-wide health plan" that providers will then have to consider while operating
Regulatory environment 2	2526-SubAaa	7368-SubBaa	-3 their organizations. As part of the study, the department will ask providers to provide information about their equipment and services, as well as their clients' "race, ethnicity and primary language spoken in the home."
Tax & Budget	2546-aa	7259-SubB	-1 to allow the judiciary to charge a \$25 technology surcharge for various transactions for a restricted receipt account covering maintenance of its technology to charge the certification requirement for environmental lead inspectors to a licensure requirement. The legislation would remove the requirement that refresher training courses be taken annually, allowing the Director of Health to determine the necessary frequency. The legislation would also increase the potential fines for violation of lead safety laws (including for property owners) from \$100 per day to up to \$5,000 per day, except for those
Regulatory environment	2562-SubA	8158-SubA	-1 having to do with lead inspections and renter information.
Constitutional government 2	2585-SubAaa	7138-SubA	2 to bring the organizational and transparency requirements for state quasi-public corporations more into line with those required of government agencies, including internal rules as well as financial records and regular audits
Regulatory environment	2659-SubA	7449-SubA	to forbid any new owner of a foreclosed property to evict tenants (except for cause) unless the property is under agreement for another sale, in which case the next buyer "may be responsible for evicting the current -1 occupants." Foreclosing owners are exempt from the requirement if they are "full-servicing mortgage operations" located in Rhode Island or had fewer than 15 foreclosures in the prior year
Regulatory environment	2684-SubA		to make it state policy to phase out all cess pools, even those that are not failing or threatening to water supplies and to allow municipalities to offer loans to residents to tie into sewer lines. The legislation would require any -2 property sold with a cesspool to be hooked up to sewers or switched to an onsite septic system within one year.
			to create an elaborate "renewable energy growth program" that will use a system of incentive payments and tariffs to encourage development of alternative energy sources, on a small (residential) and large (commercial) scale, with the costs passed on to customers. Beginning in July 2015, the legislation calls for the Public Utilities Commission to rearrange rate schedules in a "revenue neutral" way, making energy less expensive for some an
Regulatory environment 2	2690-SubAaa	7727-SubAaa	-2 more expensive for others, in accordance with the commission's priorities.
Regulatory environment	2692-SubA	8200-SubA	-1 to restrict the professionals who can do the non-electrical and non-plumbing steps of renewable energy installation to those holding special "renewable energy professional" (REP) certificates
Tax & Budget	2721-SubA	8177-SubA	-1 to increase the maximum fine for littering from \$500 to \$1,000 and to leave it to government officials to decide whether the litterer must remove all litter him or her self or pay for the state to do it
Education reform	2738-SubA	7096-SubAaa	-2 to forbid the state Department of Education from requiring "highly effective" teachers to be evaluated more frequently than every three years and "effective" more frequently than every two years
Constitutional government	2774-SubA	7939-SubA	1 to create a process and a board by which a person disqualified from owning a firearm could appeal and remove that restriction
Constitutional government	2778-aa	7944-SubAaa	-2 to expand the state's receivership law, which temporarily takes control of expenditures and taxes out of the hands of local officials and voters, to include local fire districts to fund new full-day kindergarten programs in government schools at the full rate of the state funding formula, rather than the phased-in rate for most students. The legislation would also require that preference be given to
Tax & Budget	2791-SubA	8219-SubA	-2 urban schools for full-day K
Regulatory environment	2796-SubA		-1 to give preference to companies bidding for state contracts if their highest-paid executives receive no more than 32 times the pay of their lowest-paid full-time employees to enhance the mandate for health insurance coverage of mental health and substance-abuse treatments, including (among other things) the removal of all lifetime limits for such treatment and an inclusion of mental
Regulatory environment 2 Tax & Budget	2801-SubAaa 2805-aa	8042-SubA 7801-SubA	- 1 retardation, learning disorters, motor skills disorders, communication disorders, and others as "mental illnesses"
Public sector labor	2829-SubA	7801-SUDA	-1 to create another layer of government in addition to a town government and two water districts that can tax property in a section of Tiverton to pay for sewers -1 to create a special license plate in honor of Cesar Chavez, with half of the proceeds going to the Cesar Chavez Scholarship Fund administered by the RI Foundation
Education reform Regulatory environment	2862-SubA 2869-aa	7971-SubA	1 to require school districts to list charter school expenses as a separate line item, and to require the state Dept. of Education to report data on charters' revenue, expenses, and performance 1 to relieve motor fuel distributors from the requirement to post a bond to cover expected taxes if they've paid their taxes for three years in a row
Regulatory environment	2878-SubA		-1 to forbid group health plans and insurance providers to set up different arrangements with providers "acting within the scope" of their licenses or certifications for the purpose of accident and sickness insurance policies
Constitutional government	2885-aa	7974-aa	1 to forbid elected officials in North Providence from taking jobs with the city within two years of leaving office
Regulatory environment	2935-aa		-1 to significantly increase the fines for violation of regulations for electricians (mostly licensing), from \$500 to \$1,500 for a first violation and from \$950 to \$2,000 for subsequent violations
Tax & Budget	2952-SubA	7904-SubA	to require state agencies (including quasi-public corporations) to use resources to develop climate change plans and "to the maximum extent feasible" to purchase fuel, hybrids, and vehicles with radical environmentalism as -3 an important consideration. The legislation would create a "climage change coordinating council" and two advisory boards to study and push the issue of climate change in state government.
			to write the Governor's Workforce Board, previously established under an executive order, into state law by giving it the powers of the Human Resource Investment Council and to expand its authority to cover all workforce
Tax & Budget	2997-SubA	8371	-2 initiatives with state government. The legislation would also make integration of "immigrants fully into the workforce" one of the justifications for the board's existence1 to allow Twin River to extend lines of credit up to \$50,000 to gamblers
•	3013-SubAaa	8170-aa	to incrementally increase the maximum payment for workers compensation to 125% the state's average weekly wage. The legislation would also add a personal injury attorney to the Workers' Compensation Advisory Council
Tax & Budget 3 Constitutional government	3053-SubAaa 3057-SubA	8282-aa	-1 and make technical changes to workers compensation1 to hand out, in the name of individual senators, compensation for vehicles damaged by deficiencies in state roads or activities
Tax & Budget		7204	-1 to ask the federal government to designate Rhode Island as a "Promise Zone," indicating economic hardship in the state, which would provide eligibility to federal subsidies through tax credits for businesses
Regulatory environment		7235	- 1 to ask title tearling out-of-state organizations bidding on state contracts if their home states do the same
Regulatory environment		8171	-1 to create a special liquor license for 24-hour casinos that would loosen the rules for the sale and consumption of alcohol only in such businesses
Constitutional government		8273	-1 to hand out, in the name of individual representatives, compensation for vehicles damaged by deficiencies in state roads or activities
			to allow the Providence Building Authority to enter into \$10 million of debt without voter approval for public school improvement projects and to make the principal and interest of the debt eligible for state taxpayer subsidization
Tax & Budget		8342	-1 through housing aid reimbursements
Tax & Budget Regulatory environment	7133-SubAa	7133-SubAaa a-A11SubA-section4	-3 to set the fiscal year 2015 budget for the state government  1 to forbid cities and towns from implementing a minimum wage higher than the state's
			to increase tax collections by \$16.4 million by blocking Rhode Islanders from registering their vehicles if they are delinquent in their tax payments, charging all Rhode Islanders an assumed tax on items that they bought online or out of state, taking the pay of state and municipal employees who owe any taxes, limiting the property tax relief credit strictly to the elderly and disabled, increasing the real estate conveyance tax by 15%, and criminalizing technology that understates as sales taxes. The legislation would use this new revenue to increase the earned income tax credit for lower-income Rhode Islanders (\$4.5 million), attending the tax exemption on wine and spirits (\$1.6 million), and eliminating the estate tax on estates up to \$1.5 million (\$9.4 million). The article also restructures the business taxes to reduce the corporate income tax from 9% to 7% and eliminate the franchise tax, but
Tax & Budget	7133-	SubAaa-A12SubAaa	-2 implement "combined reporting," thereby making the reform revenue neutral or perhaps a net increase in taxes
Tax & Budget	7133-	SubAaa-A16SubAaa	-1 to increase hospital licensing fees by \$156.1 million for fiscal year 2015 and \$145.9 million for fiscal year 2014. The article would also change the way in which the state funds infant and adult immunization programs to approve almost \$200 million of new debt for the state government, mostly in the form of moral obligation bonds issued through quasi-public agencies. The intended projects include a parking facility for the Garrahy
Tax & Budget	7133	3-SubAaa-A4SubAaa	Courthouse, improvements and additions to the airport, refinancing of RI Depositors Economic Protection Corp. (DEPCO) debt, refinancing of tobacco settlement debt, and leasing and supplies for a joint nursing center for the -2 University of Rhode Island and Rhode Island College.
Tax & Budget		3-SubAaa-A5SubAaa	to approve \$248 million in general obligation bonds to be approved by voters in November's election. Funded projects include renovations to the University of Rhode Island's College of Engineering, renovations to public and 2 nonprofit theaters and performance spaces, renovations to mass transit hubs, and for clean water, open space, and "healthy communities" projects
Regulatory environment	7130	7229-aa	1 to give the tax administrator leeway to allow the renewal of a driver's license and registration for those who are delinquent in their taxes but unemployed and seeking work
Constitutional government		7344-SubA	1 to allow night-time hunting licences to be renewed every five years, instead of every year
Regulatory environment	-	7410-SubA	1 to allow liquor stores to advertise in places other than their stores for sampling events to allow municipalities acting under fiscal oversight from a state-appointed overseer, commission, receive, or advisor to hire state retirees without those retirees having their retirement benefits suspended as usually required
Public sector labor		8151-aa	-1 by law
